Out of School Time Services for Children & Youth

The Department of Human Service Programs offers several different types of out of school time programs for children and youth throughout the City. Through the Community School Programs, enrichment classes are offered in every elementary school for children K-8 every-day afterschool. Classes begin early in the fall. Families can register for one or more classes per day. Through the Childcare Program, licensed afterschool programs are offered in four elementary schools for children in grades K-1 and 2-5. Programs begin the first day of school. Through the Youth Programs, licensed programs for pre-teens 9-13 operate in five youth centers around the city. Evening Programs are offered for teens 14-18 at each of the youth centers.

For more general information about the programs, see the descriptions below. In the pages that follow these general descriptions, the individual programs are listed by neighborhood to help families locate programs near or in their child's school or in their neighborhood.

Community Schools

The Division of Community Schools provides a network of neighborhood services offering educational, cultural, social and recreational opportunities for all age groups. Through 12 Community Schools located in each elementary school, Directors work with their respective Neighborhood Councils to assess community needs and to create high quality, cost effective Out of School Time programs to address them, including after school enrichment classes, two extended day programs with the School Department, full-day summer and vacation camps. All programs have been adapted to include participation of children with special needs. Registration for the fall quarter begins in September. See individual Community School Program listings for registration dates. Registration also occurs in January for the Winter Quarter and in April for the Spring Quarter.

The Community Schools provide programs that foster community, such as Summer Arts in the Park, Camp Information Night, cultural and social events for families and senior citizens, and children's performances in music, dance and theater. Participants in these programs represent the racial and ethnic diversity of Cambridge. Community Schools also collaborate with local cultural and social service organizations. Tuition assistance is provided in all aspects of programs.

AfterSchool Childcare Programs

The Childcare and Family Support Division offers licensed afterschool programs for children Kindergarten through 5th grade. Parents have the option of enrolling children for two, three or five days per week. Programs offer a multi-cultural curriculum designed to improve children's positive social development and academic achievement through project based learning. All programs have been adapted to include children with special needs. Enrollment is ongoing. Many programs have waitlists, families are encouraged to seek enrollment well in advance of anticipated start dates. Families may be eligible for partial scholarship. To apply for assistance, complete the Tuition Assistance Request Form at the time of enrollment. Programs are offered at the Peabody, King, Fletcher Maynard and Morse Schools.

Youth Programs

The Cambridge Youth Programs offer diverse, high quality programs that promote leadership and youth development through enrichment activities, unique experiences, and opportunities to develop relationships with adults and peers. Our programs enable Cambridge youth to thrive and feel a sense of belonging, resulting in young adults who are ready for future employment, higher education, citizenship and adult life.

The Cambridge Youth Programs operate two distinct programs within each Youth Center—an after school Pre-teen Program and an evening Teen Program. Programs are designed to be in alignment with national research, promoting youth development and leadership. Additional programs are also offered during the school vacation weeks and summer months.

The Pre-teen Leadership Program provides a safe, fun environment for youth ages 9 to 13 from 2:00 p.m.-6:00 p.m., Monday to Friday, and is licensed by the Massachusetts Department of Early Education and Care (EEC). While each Youth Center offers its own distinct programming, all of the Centers offer homework assistance, healthy snacks, leadership development opportunities, sports leagues, arts, community service and enrichment activities. Programming is enhanced through partnerships with several local organizations including: "e" inc., the Math, Science and Technology Initiative of the United Way of Mass. Bay, Harvard's After School Initiative and the Cambridge Police Department.

Cambridge Kids' Council

Cambridge, MA 02139

(617) 349-6239
mwong@cambridgema.gov

The Coordinating Council for Children, Youth and Families (Cambridge Kids' Council), established in 1991, is a City board dedicated to improving the quality of life for its children and their families through making policy recommendations and setting up programs and services. The Council brings together parents, community organizations, top City officials, and representatives of philanthropy, business, and universities to advocate for the well being of Cambridge children. Four current major initiatives of the Kids' Council to achieve its mission are:

Centers for Families

Centers for Families is an initiative to develop school-linked, neighborhood-based family support centers for all families, particularly to those with children from birth to age 5. By coordinating formal and informal resources, the centers will link families to a full range of services to support them in nurturing their young children. The initiative began with the establishment of the Center for Families of North Cambridge in 1994. Ongoing efforts to expand family support activities across the city continue.

Agenda for Children

Introduced to the city in 1997, this initiative is to bring together different city departments, community-based organizations, businesses, philanthropies, and residents to ensure that our city's children are healthy and successful in school while living in strong communities. A special feature of this initiative is Community Engagement, to ensure community involvement in the planning and implementation of the initiative's two goals.

Goal #1

Children and their families will be able to read.

Objectives

- That parents and primary caregivers be supported in their role as primary and continuous teachers of language.
- That childcare workers and teachers be supported in their role in developing literacy and have the necessary tools.

Early Childhood Services - continued

- That children have access to necessary resources to practice literacy activities.
- That children who might experience difficulty learning to read and write be identified early and receive support.

119 Windsor Street, Ground Level
Cambridge, MA 02139
(617) 665-3827

Goal #2

Children and youth will have equal access to safe, stimulating, nurturing and healthful out-of-school time activities.

Objectives

- That families and service providers improve their connection to one another.
- That the service providers strengthen operational infrastructure through partnerships.
- That all programs strive for the highest quality through innovative programs.

Youth Involvement

Began in 2001, this initiative is to develop a group of young people working with adult supporters to increase youth participation in the civic life of Cambridge. The initiative's guiding principles are:

- To have as many youth participate in opportunities created by and for young people
- To ensure diverse representation of youth throughout the city of Cambridge.

The goals of the initiative are to have youth develop leadership skills, voices to raise issues that are important to them, solutions to those issues, and a vehicle for youth decision-making in the city. Youth ages 14 to 18 are recruited to participate in the planning and implementation of short and long term projects. Ongoing recruitment of youth as well as parents and other adults to join the effort are conducted to ensure diverse representation and to strengthen youth to parent and adult connections.

Policy Plan for Inclusion of Children & Families with Disabilities

In November 2002, the need for a citywide policy plan for inclusion of children and youth with disabilities in Out-of-school time programs and activities was identified. The Kids' Council formed a subcommittee in February 2004 to develop the Cambridge Policy Plan for Inclusion of Individuals with Disabilities in Out-of-School Time Programs. In February 2006, the Cambridge City Council and School Committee unanimously adopted that Policy Plan, making it an official City policy. The next step on this effort will be to implement and inform the community about the Policy Plan.

In addition to these four major initiatives, the Kids' Council is working on several other efforts to respond to the needs facing our city's children. Parents and interested parties are invited to attend the Kids' Council meetings and participate in the Council's working groups. Please contact us for additional information.

People with disabilities face many obstacles in their efforts to be full and active members of society. There is a shortage of resources, and barriers to information and activities lead to isolation. But for over 25 years the Cambridge Commission for Persons with Disabilities has been working to eliminate these obstacles. Finding good employment is a particular challenge.

On Tuesday, October 16 the Commission will present a free program on Psychiatric Disabilities in the Workplace. This panel discussion is for City staff, employers, family members, co-workers, and individuals with psychiatric disabilities. It will be from 12 noon – 2 p.m. at 344 Broadway. A light lunch will be served.

On a daily basis Commission staff answer questions, provide information, referrals and technical assistance to individuals and their families, City departments, public agencies, businesses and private non-profit organizations. We promote equal opportunity and work to eliminate discrimination against individuals with all types of disabilities – physical, mental and sensory. Examples of our ongoing work include:

- Issue temporary Disability Parking Permits for use in Cambridge,
- Provide free taxi discount coupons to disabled Cambridge residents
- Work with City departments to ensure compliance with the Americans with Disabilities Act (ADA) and other state and federal disability rights laws.
- Teach disability awareness in workshops and presentations to children, adults, businesses, non-profits and City departments
- Advocate for improved access to housing, transportation, education, businesses, employment, and leisure time activities for people with disabilities.

Community Services - continued

The goal of our 11-member advisory board, comprised primarily of individuals with disabilities, is to promote full participation for people with disabilities in all aspects of Cambridge community life. The Commission meets at 5:30 p.m. on the second Thursday of each month. Join us; the meetings include an opportunity for public comment. Our free AccessLetter is published six times a year and provides a calendar and news on a variety of disability related topics. Let us know if you want to subscribe.
